

## WHAT'S HAPPENING AT THE COURTYARD THEATRE?

It's been several months since we closed the theatre to help stop the spread of coronavirus. I want to give you as much information as possible about what's happening here at The Courtyard but, of course, no one has a crystal ball and so some of our arrangements for autumn and for 2021 are hopes rather than decisions. We're all missing our wonderful theatre and we can't wait to be back, producing plays of our usual high quality and welcoming back our lovely audiences. In the meantime, we'll keep in touch, sharing our reopening plans when we can.

The information below also serves to tell you the plays for our September 2020 – July 2021 season. Although this isn't the way we'd have chosen to announce this – no fanfare and no razzamatazz! – it seems sensible to let everyone know what's going on. It's going to be a great season with a fantastic range of plays, and we'll resume the schedule at the earliest, safest date.

We truly appreciate all the support we get from our audiences and so, when we're open again, please do your best to ensure that we play to full houses!
